About organization and granted activity

■ **About organization** (Such as Year of establishment, Vision, Name of main activity >
* **With in 500 characters**

Back to School Educational Initiatives (BASEI) was established in 2007 with a clear vision of achieving violent free society with equal and sustainable socio-economic advancement. It is in this light that the Organization has been implementing peacebuilding activities to mitigate violent conflicts, economic activities for the empowerment of women and youth as well as Orphans and Vulnerable Children programming to improve the quality of life of Vulnerable Children and their households within communities in Nigeria.

■ **Done activity by NPF Grant** * **Within 1000 characters**

BASEI through the support of NIWANO PEACE FOUNDATION has implemented the following activities in Wukari Local Government Area of Taraba State, Nigeria between April 2020 to March 2021:

- Courtesy visits to major stakeholders
- Sensitization/mobilization meetings
- Consultation/shuttle diplomacy meetings with key stakeholder groups to facilitate a ceasefire
- Identification and selection of beneficiaries
- Peacebuilding workshops for women leaders, youth leaders, faith leaders and traditional/community leaders
- Join training workshop with 120 group leaders
- Orientation on program handbook for the Community Peace Promoters
- Monitoring visits
- Formation and inauguration of Peace and Reconciliation Committee
- Peace and Reconciliation Committee meetings
- Interfaith Dialogue meeting
- Community Dialogue meetings

Activity Report (Summary version)

- Dialogue meeting with Security Agencies
- Final Evaluation

■ Output or Outcome * Within 1000 characters

- A diverse set of key stakeholders engaged in community-based efforts to promote communication, dialogue and advocacy for peaceful coexistence among people of diverse ethno-religious background.
- Trust and confidence among community members of different faith enhanced as a result of the intervention
- Creation of community conflict mitigation structure (Peace and Reconciliation Committee) with which various stakeholder groups come together to foster continued peacebuilding in communities currently affected by conflict.
- Increase in religious tolerance and understanding among the target beneficiaries resulting in working together regardless of their diverse ethno-religious background to promote peace
- Reduction in reprisal attacks in Wukari LG as a result of improved understanding and mutual trust
- Increase social engagement for religious unity, rebuilding a culture of peace between factions and involving credible local government actors in peacebuilding process
- Increase participation of marginalized groups (women, youth and people living with disabilities) in decision making processes.
